REACH – Confirmation of requirements, Substances of Very High Concern (SVHC)

Dear Customer,

TDK-Micronas GmbH is aware of the obligations under REACH Regulation (EU) 2006/1907 of the European Parliament and of the Council.

TDK-Micronas GmbH, as a manufacturer of Integrated Circuits a “downstream user” in the sense of REACH, is aware of the hazardous nature of the substances defined by ECHA in the candidate list of SVHC.

We inform you that substances on the candidate list of REACH (last updated January 17, 2023, <https://echa.europa.eu/de/candidate-list-table>) are not contained in our products > 0.1 mass-%. There is an exception for the packing variant “Ammopack” used for some of our products. The two SVHCs of the packing material are stated on the Delivery Note under Regulatory Information.

Our products are articles in the sense of REACH Art. 3.3.

This declaration is based on information provided by the material suppliers of TDK-Micronas and reflects the current status.
